

CHRISTMAS ROUND

Adagio md=126

Oh what a sight on Christmas morning fresh fallen snow on the ground ~

Oh what a sight on Christmas morning fresh fallen snow on the ground

We would be so happy if it would only stay a-round Oh— what a sight on

Christmas morning fresh fallen snow on the ground.

II Somebody filled my Christmas stocking somebody trimmed our tree ; Somebody filled my Christmas stocking it certainly wasn't me ; It must have been St. Nicholas who else could it be ; Somebody filled my christmas stocking somebody trimmed our tree!!

III We'll go to Grampa's house for dinner feast upon turkey and ham ; think of the things we'll have for dinner ; hot rolls with fresh apple jam . Then we'll sit round the christmas fire tell of peace and good will o'er the land when we go to Grampa's house for dinner feast upon turkey and ham .

IV I don't want to go to sleep on Christmas evening , this day comes only once every year .
I don't want to go to sleep on Christmas evening , I'm too full of Christmas cheer .
I know there'll be more days like this but I'll have to wait a year
I don't want to go to sleep on Christmas evening , I'm too full of Christmas cheer .
