

Guitar Introduction

CHORUS: Unison 1st Time  
Harmony 2nd Time

D

cutting the sky — I've been told that to find my self is —

D C G

what I have to do — and though I may have doubted once I

D<sup>16</sup> D | 1. D

now see that it's true Standing on the brink of something

D<sup>7</sup> G D

I don't understand I wish someone would come with me Just to hold my hand

D D<sup>7</sup>

(hand) but I've got to find a new way a lone as so many have done be-fore

G D

(before) A - ban - dan all my child hood games when I step through that door

2. D D7

Though these days will be far behind me I'll remember still And de-

G D

(de-)spite the years that I go through I guess I always will but

D D7

memories won't lure me back I know I must be free with-

G D C

out the past or the future in a timeless odyssey - I've been told that to

G D C G

find myself is - what I have to do - and though I may have doubted once I

G D Guitar f Eb D

now - see that its true
