

Abba, Father

Abba, Father, You alone,
You deserve all praise,
each new dawn another day,
we may our anthems raise.
Till we join Your heav'nly choir,
daily do us inspire.
Abba, Father, You alone,
You deserve all praise.

Abba, Father, You forgive,
all we need is ask.
Let our sorrow be sincere
ready us for Your task.
Fill us now with burning zeal
Your greatness to proclaim
to a world, still lost in sin,
praise Your holy name.

Abba, Father, may we be
Your's and Your's alone.
Never, never let us go,
lead us to Your throne.
Fill our hearts with gratitude:
Jesus, He did atone
for the sins that we commit,
now lead us safely home.

Abba, Father, You alone,
You deserve all praise.
Each new dawn another day,
we may our anthems raise.
Till we join Your heav'nly choir,
daily do us inspire.
Abba, Father, You alone,
You deserve all praise.
