

Come, Eat And Drink

Come to His table now, eat and drink,
all is made ready for you.
Look at His table, filled to the brink,
take along someone new.

Refrain:

Jesus, your Shepherd, much cares for you,
He spread this banquet for you and me.
Oh, do believe in Him, yes, it is true,
faith in Him truly will set you free.

Still there is time, so come eat and drink,
He's waiting for you to come.
But is is later than you may think,
even too late for some.

Do wait no longer, 't is now your time,
Jesus is calling for you.
His promise is true, His life sublime,
Jesus prepared for you.
