

The Lord Our God Is Great!

The Lord our God is great,
we praise His holy name.
His laws are wise, His path is straight,
His Word we must proclaim.

Go tell to all the world,
that Jesus Christ is King,
that when is Kingdom is unfurled,
His peace and truth He'll bring.

Yet there is war and strife,
and sin, and pain, and tears,
our Lord has promised a new life
the day He reappears.

Proclaim His mighty Word,
courageously move on,
until His Word by all is heard,
the battle has been won.

The Lord our God is great,
we praise His holy name.
His laws are wise, His path is straight,
His Word we must proclaim.
