

## **Praise And Honour To The Lamb**

My Redeemer, now my Saviour,  
I am Your's, oh Holy Lamb.  
You forgave my misbehaviour,  
Your blood washed me, Holy Lamb.

Refrain:

Praise and honour, hallelujah!  
Praise and honour to the Lamb.  
Your blood washed me, hallelujah!  
I am Your's now, Holy Lamb.

I have looked for peace unceasing,  
oft in fear and in despair.  
't Is Your blood, from sins releasing,  
that has put me in Your care.

I have learned to live by trusting  
that You 've washed my sins away.  
Your blood's power is adjusting  
all of me, from day to day.

In Your service now forever,  
You 're in life and death with me.  
I will sing Your praises ever  
for Your mercies, rich and free.
