

## Lord, Take My Life

Lord, take my life in Your hand,  
a life by Jesus bought.  
Your mercy, Lord, is most grand,  
my erring bring to naught.  
The clouds and winds and rainfall,  
't is You direct their way,  
oh Lord show me a footpath small,  
that my feet follow may.

Is there a God more faithful,  
Who we can fully trust?  
't Is Him Who's always truthful,  
so Him we follow must.  
Complaints nor all our crying  
will ever move our Lord.  
But our time spent in praying  
will bring instant reward.

So let Him direct your life,  
for only He is wise.  
He is the balm for all strife,  
a help in our demise.  
The Lord, He is Almighty,  
a present help indeed.  
Then walk with Him uprightly  
and He will intercede.
