

## **Lord, You Gave Me Life**

You are my Lord, for You gave me life.  
Following You I 'll know no strife.  
My Lord and King, show me Your ways  
for me to follow all my days,  
now and forever sing Your praise:  
Hallelujah, hallelujah!

He is our Lord, Creator of all.  
All that is living, great and small,  
oh know your Lord for He is just,  
the only God Whom you can trust,  
yes, all your life you should entrust.  
Praised be His Name, praised His Name!

He is our Lord, all praise now His Name,  
as 't is for all to earth He came.  
For all He did salvation bring.  
Oh come, pay homage to your King,  
exalt His Name, together sing:  
Hallelujah, hallelujah!
