

Lord, Take My Hand

Lord, take my hand, for I am prone to stumbling.
without Your help, it 's hard to run the course.
Lord, take my hand and stop my constant fumbling,
grant of Your strength, my weakness reinforce.

Lord, take my hand, for it is in Your presence
that I feel strong to carry out Your tasks.
Lord, take my hand, for then it is Your radiance,
the tempter's tricks on me quickly unmask.

Lord, take my hand, for it is with Your brilliance,
the road ahead for me is clearly lit.
Lord, take my hand, for it is with Your guidance,
no one will see in me a hypocrite.

Lord, take my hand, so I will be dependent
on You alone, in all I do and say.
Lord, take my hand, so I one day triumphant,
eternally, Your Kingdom enter may.
